

ASHIKUR RAHAMAN

Textile Engineering Graduate | Yarn Engineering | Production & Quality
Mirpur-12, Dhaka | +880 1580-698704

[Email](#) | [Portfolio](#) | [LinkedIn](#)

PROFESSIONAL SUMMARY

Textile Engineering Graduate Specializing in Yarn Engineering with industrial exposure in knit composite and garment manufacturing. Skilled in production monitoring, quality control, batch follow-up, process analysis, technical reporting, and Microsoft Excel. Completed two industrial internships and published three textile research papers, demonstrating strong analytical, research, and problem-solving capabilities. Proven leadership experience as a Class Representative, with strong communication, teamwork, adaptability, and ability to work under pressure. Seeking a Graduate Engineer role to contribute to production excellence, quality improvement, process optimization, and organizational growth.

EDUCATION

- Bachelor of Science (B.Sc.) in Textile Engineering – Yarn Engineering**
Tangail Textile Engineering College, Kalihati, Tangail | CGPA 3.19/4.00 | Graduated: 2026
- Diploma in Textile Engineering**
National Polytechnic Institute, Tejgaon, Dhaka | CGPA 3.81/4.00 | Passing Year: 2021
- Secondary School Certificate (SSC) in Science**
Mandari High School, Mandari, Lakshmipur | GPA 3.89/5.00 | Passing Year: 2016

ACADEMIC PROJECT

- Sustainable Antibacterial Treatment of Bamboo-cotton Blended Yarn Using Natural Chitosan**

Developed a sustainable antibacterial treatment for 70:30 bamboo-cotton blended yarn using natural chitosan as an alternative to conventional chemical finishes. The treated yarn achieved bacterial reductions of 93.84% against E. coli and 99.99% against S. aureus.

INDUSTRIAL TRAINING

- Esquire Knit Composite PLC** Jan 2026 - Feb 2026
Industrial Trainee – Academic Internship
Kanchpur, Narayanganj
 - Studied the end-to-end workflow of a knit composite factory across production and support departments.
 - Tracked selected production batches from initial processing to final inspection and documented key process stages.
 - Developed practical understanding of production monitoring, quality checkpoints, interdepartmental coordination, workplace discipline, and target-driven factory operations.
- Anthony Young Garments Ltd.** Nov 2019 – Jan 2020
Industrial Trainee – Academic Internship
BIDC Road, Gazipur
 - Studied garment production workflow in a production-focused manufacturing environment.
 - Developed an initial understanding of garment manufacturing beyond academic coursework.

TECHNICAL & SOFT SKILLS

- | | | |
|---|---|--|
| • Time Management | • Ability to Work Under Pressure | • Proactive & Positive Attitude |
| • Communication & Interpersonal Skills | • Adaptability & Learning Agility | • Willingness to Learn |
| • Analytical Thinking & Problem Solving | • Teamwork & Cross-Functional Collaboration | • Production Monitoring, Reporting & Documentation |
| | | • Attention to Detail |

PUBLICATIONS

- **First Author:** [“Predictive Modeling of Tearing Strength in Laser-Engraved Denim Garments Using Multiple Linear Regression,”](#) *Advanced Research Journal*, 2025.
- **Co-author:** [“Comparative Study on the Quality Parameters of Ring and Rotor Spun Yarn,”](#) *Advanced Research Journal*, 2025.
- **Co-author:** [“Optimization of Nozzle Air Pressure for Enhanced Quality and Efficiency in CVC Yarn Production Using Murata Vortex Spinning,”](#) *International Journal of Textile Engineering and Management*, 2026.

LEADERSHIP & ACADEMIC EXPERIENCE

Class Representative (CR) — Department of Yarn Engineering Jan 2024 - May 2026

- Represented the entire class in academic and administrative matters, acting as the communication bridge between faculty and students.
- Coordinated schedules, class notices, and academic updates to ensure smooth information flow. Assisted faculty in organizing departmental events, presentations, and industrial visits.

Research Assistant — Tangail Textile Engineering College

Feb 2024 - Apr 2024

Supervisor: Elias Khalil, Lecturer.

- Coordinated with the research supervisor and team members during project activities.
- Assisted with literature review, data collection, and research documentation.
- Supported data organization and preparation of technical research content.

SOFTWARE & TOOLS

- **Microsoft Excel:** Formulas, tables, sorting, filtering, charts and basic data analysis
- **Microsoft Word:** Technical report preparation and professional document formatting
- **Microsoft PowerPoint:** Professional and research presentation preparation
- **Google Workspace:** Docs, Sheets, Slides and Drive
- **Professional Email Communication and Internet Research**

LANGUAGES

- **Bangla:** Native
- **English:** Working Proficiency in Reading, Writing, Speaking & Listening.
